

Hawana Lagoons Salalah

A contemporary neighbourhood with views of the sparkling turquoise salt-water lagoon, Hawana Lagoons Salalah offers a variety of freehold studios, apartments and twin-houses that deliver every comfort of modern life. Boasting wide lagoon promenades and car-free areas, the properties provide buyers with residency in the Sultanate of Oman upon access to the home of their dreams.

The North and South Lagoons districts of Hawana Lagoons are home to 232 meticulously designed units. Sporting views of the surrounding mountains and the breathtaking lagoon, the Northern lagoons features 26 well-appointed units while its Southern neighbour encompasses 206 units ranging from studios to three bedroom apartments.

Hawana Lagoons puts residents right in the heart of a burgeoning, multi-national community offering a relaxed, active lifestyle through an outdoor swimming pool and ladies pool, children's playground, outdoor seating areas, entry to tennis courts with ramps for disabled access and shaded outdoor parking. In addition, homeowners can take advantage of enticing benefits at the destination's hotels, retail and dining outlets.

The Hawana Lagoons project is designed by the world-renowned Northpoint in partnership with the leading regional firm Lines & Visions. The project is scheduled to be delivered in Q3 2019.
