

GOLF LAKE RESIDENCES

Overlooking Jebel Sifah's dedicated 9-hole Harradine golf course managed by Troon international, Golf Lake is a meticulously designed residential neighbourhood that will comprise 14 buildings and 131 studios, one and two bedroom apartments as well as lofts upon completion. The new development, enjoyed a successful sales launch with 90% of its units sold out in 3 months during 2016.

Each unit will feature grand terraces, an open-plan kitchen area, ensuite bathrooms in addition to top quality fixtures and finishing. The freehold properties come in a variety of sizes with ground floor gardens and roof annexes in some units. The project also includes a variety of leisure facilities homeowners can enjoy, such as the 2,400 sqm oasis style water feature with an integrated infinity pool, a 700m jogging track, a barbeque area and children's playground.

Hussain Fadhil & Partners LLC (HFP), one of the Sultanate's most renowned excellent grade construction firms, has been appointed as the lead contractor, and international consultants AEB-Assaf have been selected as design and supervision consultants for Golf Lake. Construction of the project is well underway, and the residential project is scheduled to be completed by the beginning of Q4 2018.
