

FANAR HOTEL & RESIDENCES – at Muriya’s Salalah Beach Destination

With three pristine private beaches, the four-star Fanar Hotel & Residences stands out on the Eastern tip of the incomparable marina, looking out to the shimmering Indian Ocean and the turquoise waters of the destination’s lagoons. Showcasing Salalah’s vibrant culture and heritage in its design by the renowned Architect, Adel Mokhtar, the hotel adds contemporary style elements to create its own unique and individual personality. Built by Muriya, experts specialised in developing the largest and most diversified ITC destinations in Oman, and operated by Orascom Hotels Management, the Fanar Hotel & Residences joined the destination as the third hotel in the growing Salalah Beach community and immediately ranked number one hotel in Salalah on TripAdvisor.

With the interior design and landscape of the hotel done by international architectural and interior design firm Serapioni Progetti, the Fanar Hotel & Residences offers 218 well-appointed guest rooms and suites with spacious private terraces and ocean or marina views. Its top-class private amenities anticipate the guest’s every requirement, making it the perfect venue for a relaxing retreat, a family get-together or a corporate getaway. For special occasions and celebrations, the Ocean View Jacuzzi Suites and Fanar Deluxe Suites exceed every expectation.

From cool and sophisticated to contemporary and casual, the restaurants of the Fanar Hotel & Residences offer a diverse and creative blend of regional and international dining concepts. Al Souk restaurant has a choice of buffet or set menu for laid back dining, while the sophisticated Aubergine restaurant, scheduled to re-open in December 2016, offers lunch and dinner à la carte Mediterranean gourmet specialities with an emphasis on local ingredients and produce. There is one Sandbox Beach Bar on each of the Fanar Hotel & Residences’ three beaches, serving until late afternoon and its Pool Bar keeps guests refreshed.

A haven for relaxation, guests can unwind on the coconut-ringed lush tropical beach or in the hotel’s infinity pool, pamper themselves from morning to early evening at the Al Waha Spa or take advantage of the facilities of the fitness suite. Younger visitors can enjoy the children’s pool and entertainment at the Simba Kid’s Club throughout the day. Sightseeing excursions, fishing trips, dolphin watching and water sports can also be arranged.

Ideal for work or play, the Fanar Hotel & Residences offers a full range of professional services and expert support for corporate events, conferences and gala dinners in the elegantly appointed and well-equipped Al Sabla Banquet Hall and Al Majlis Meeting Room. The hotel’s 120-seat open-air amphitheatre is the perfect venue for presentations and performances throughout the year.

The hotel is a 20-minute scenic drive from the redeveloped Salalah International Airport, an hour and 45-minute flight from Muscat, Oman’s capital city. Salalah is accessible by road and sea from cities across the Sultanate and the GCC.
